Company Profile

We are technologically the world's leading manufacturer of high-strength fasteners and a competent partner for the development and production of complex cold-formed parts. We set standards in the areas of innovation, quality, and profitability. In the automotive sector, our core business since the company's foundation, we develop individual solutions for the special requirements of the future in reliable and long-term partnerships with our customers. Our recipe for success: Finding solutions today for the challenges of tomorrow.

With 19 international locations in Europe, America, and Asia, KAMAX is represented worldwide. The KAMAX Holding in Homberg (Ohm) in Germany is the worldwide headquarters. The international locations are interconnected and each is characterized through specific core competencies.
